Celebrating ABN 10th anniversary of Ministry

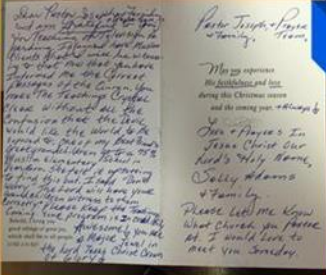

Isaiah 61:1 ' the spirit of the sovereign Lord is upon me, Because the Lord has appointed me to preach good news to the poor. He has sent me to bind up the broken hearted, to proclaim freedom for the captives and proclaim freedom for the captives and release from darkness for the prisoners...

I am grateful to you for teaching of Television regarding Islam. I have Muslim clients that I will be witnessing to that now that you have introduced me the correct passages of the Quran. You make the teaching Chrystal clear without all the confusion that the Devil would like the world to be exposed to.

God bless you and ABN, I am incarcerated at Shawnee Center, and was blessed by this ministry via T.V. I want to give you my offering but I can not afford to send more than \$1.00 at this time. If cashing this money order/check is going to cost ABN more than its worth, then by all means don't cash it. If this is the case please write me and inform me so I can either stop sending my offering or wait till I have larger amount. Thanks K J

Never in all of my years as a Christian have I witnessed the Gospel presented in such a unique manner as that which ABN's has been able to pull off. All of which has been accomplished without the benefits of a hundred voice choir and multi piece orchestra as some mega churches do. The overall effect is like a breath of fresh air. I hope ABN never sees fit to change its format.
