A Word from the Director

Dear partners in ministry,

I would like to use this opportunity to give you a special greeting from the heart, in the resurrection of our savior and Lord Jesus Christ. Thank you from the bottom of our hearts for being united with us in the vision and goal to take message of truth and love in Christ to the East and the West, to the Arabic and Western societies in different languages. We praise God as we work in the vineyard of our Lord.

The channel is unique, declaring the truth of the Gospel and unveiling the heresies and darkness of philosophies and false religions. The spirit of the Lord has encouraged us in all these years. And granted us His grace to serve Him faithfully without compromise or fear or hesitance. ABN still is broadcasting through its own six channels day and night, the Gospel of the Lord Jesus, and building awareness for all—believers and non-believers. So that the light of truth will shine to every dark corner and every home for the sake of the salvation of the world.

ABN is dedicated to keep the balance between the spiritual and non-spiritual programs, the spiritual being the core and the heart for spiritual healing for those who are wounded, suffering, and persecuted, and broadcasting the other non-crucial shows, such as politics and news, which viewers consider them important in this turbulent world, and what's happening in the bloody, killing, and heated, increasingly especially in the last months. We tried in the last 12 months to double our efforts and we tried our best to follow the daily news and especially what's happening in the Middle East. From beheadings to burning and killing and shedding blood, to persecution against the innocent and the church, and wiping out minorities in the Middle East.

Despite very little income and workers in ABN channel, we're still working very hard and above our ability to produce live talk shows and are also recording episodes for both Arabic and English channels. Before, we were working through one Arabic channel, but now we fell under severe load and stress. We are in desperate need for your prayers to that you will partner with us, carrying the cross in prayer and support.

We, too, are praying for you and your families. To be empowered, blessed, and moving forward victoriously in the name of our Lord and Savior Christ Jesus. May God bless you.

Serving together,

Bassim Gorial

Trinity Channel

We are continuing to produce Jesus or Muhammad shows, News & Views, Debate Night, and many more. Pray for us as we have a skeleton crew so that the Lord will grant us strength and power to continue this work and to carry the cross. And to bless all the volunteers and speakers. Please ask the Lord to send more workers for His vineyard.

Current News and Crisis in the World

We believe this world needs the saving power of Jesus Christ through the cross. We believe the West needs to be spiritually awakened. And to repent. We believe that any high thing that exalts itself against God will be brought into captivity to the obedience of Christ.

Marathons

40+ world renowned Christian apologists, ministries, professors, scientists, universities, and apologetics groups participated in the Apologetics Marathon.
